

ROUND 3 INTERVIEW
June 5, 2022

PAUL GOYDOS (-14)

Q. Just overall thoughts on the week?

PAUL GOYDOS: You know, I had a good week last week. It kind of bled into this week thinking things just kind of went well. I mean, you kind of get in those ups and downs and some weeks you do everything right and it doesn't work and some weeks you do everything wrong and it works out great. Right now it feels like for the most part it's working out and I'm taking advantage to an extent. You're always -- also last week I was fourth, but I was eight back or something. And I'm going to finish six back or something today, too, so there's a lot of work to do.

Q. What do you think was working well for you today for the jump up the leaderboard?

PAUL GOYDOS: I think more than anything, I putted better. I probably played similarly all three days and today I made more putts and that's kind of the way it is sometimes. I think part of that is you hit the ball in a place where you're comfortable putting from, you keep having putts that you can read well and for whatever reason for you it works out. I had a lot of that today.

Q. And then just overall thoughts on this tournament and playing here in Des Moines?

PAUL GOYDOS: Oh, I love it here. I think they do a great job. I think this is one of our better events. It's one of our if not the best attended event by just the community, the community really supports it here. They raise a ton of money for charity. I think it's one of our best events.

Q. What do you think your mindset is going into next week?

PAUL GOYDOS: Rest. That will be seven out of eight, which is a lot for somebody my age. I've had a little success there, not much, but again, things are going well. Hopefully, they'll continue.
