CHARITABLE BENEFICIARIES

Since 2007, the tournament has raised more than \$53 million for Iowa children's charities.

Tournament Charity Partners

The Principal Charity Classic donates funds to four primary nonprofits known as our Tournament Charity Partners. All of our Tournament Charity Partners are dedicated to improving the lives of youth in our local community. These organizations embody the sole purpose of the Principal Charity Classic.

Blank Children's Hospital

Blank Children's Hospital, a service of UnityPoint Health – Des Moines, is completely dedicated to meeting the unique health care needs of children. Blank Children's creates an environment that embraces and encourages families to be a part of their child's healing and recovery. Everything from equipment to decor is designed specifically for children.

Blank Children's Hospital
UnityPoint Health

At Blank Children's Hospital, we embrace a family-centered care philosophy where families are recognized as the most important part of a child's healing process and are encouraged to be actively involved in patient care as the constant in children's lives. From spending the night in their child's room to family space and play areas, Blank Children's Hospital is full of amenities to make family involvement easy and comfortable. Our care philosophy has shown that children are less anxious, require less medication and recover faster.

MercyOne Des Moines Medical Center

MercyOne Central Iowa operates four not-for-profit, Catholic medical centers in Des Moines, West Des Moines, Newton and Centerville (875 beds combined total) and two specialty hospitals – MercyOne Children's Hospital in Des Moines and MercyOne Rehabilitation Hospital in Clive – along with more than 20 additional facilities that house more than 60 primary care, pediatric, internal medicine and specialty clinics. Founded by the Sisters of Mercy in 1893, MercyOne Central Iowa has the longest continually operating hospital in Des Moines and is also one of the largest employers in the state, with more than 7,000 employees and a medical staff of more than 1,000 physicians and allied health associates. MercyOne Central Iowa is a member of MercyOne, which was founded in 1998 through a collaboration between CommonSpirit Health and Trinity Health – two of the country's foremost, not-for-profit Catholic health organizations. The MercyOne system has more than 20,000 colleagues in Iowa and surrounding states.

United Way of Central Iowa

United Way of Central Iowa envisions a community where all individuals and families achieve their full potential. The organizations work to inspire action to improve the lives of Central Iowans by focusing on bold community goals in education, income and health — the building blocks for good quality of life.

Together United Way of Central Iowa seeks out central Iowa's toughest challenges, sets sound strategies and goals, and then tackles them at their roots... in a UNITED WAY.

United Way of Central Iowa continues to be recognized nationally in the top 1% of charities for our fiscal management and accountability.

Recommended Viewing: Watch "[Summer in the City](#)" to learn more about how the United Way of Central Iowa, along with 25 schools and non-profits, has collaborated to ensure low-income families can enjoy healthy and productive summer months.

CHARITABLE BENEFICIARIES

Variety – the Children’s Charity of Iowa

Variety – the Children’s Charity of Iowa is dedicated to improving the lives of children who are at-risk, underprivileged, critically ill, or living with special needs. Variety works with our donors and supporters to fund and deliver effective programs and provide grants to support our mission. Variety’s initiatives focus on five programs:

- Grant Program – Variety provides funding to children’s nonprofits annually for tangible items such as: building expansions and renovations, equipment, programming needs, and more.
- Mobility – Every child deserves to be independent. Variety provides custom specialized bikes and mobility equipment to children with special needs and awards brand new traditional bikes, locks, and helmets to children who have never experienced the joy of owning their own bike.
- Variety Vans – Over the last 40 years, more than 400 Variety Vans have been provided to children’s nonprofits in Iowa. These vans transport children to doctors’ appointments, therapy sessions, and special outings or activities.
- Variety Star Playgrounds – All children should have the opportunity to experience a playground! Variety works with Iowa communities to provide all-inclusive playgrounds for children with and without special needs.
- The Compassion Fund – Variety partners with Iowa hospitals to help critically ill children and their families by providing comfort, care, and fulfilling immediate needs. The Fund is designed to help alleviate the stress and financial burden a family faces while their child is hospitalized.

Legacy Project

The Principal Charity Classic’s Legacy Project initiative is a commitment to our mission of helping Iowa youth succeed. By introducing youth to a variety of professional and technical skills that will increase their knowledge of and confidence in financial planning, customer service, teamwork and collaboration, delegation, and communication, all within a community-driven work-based learning project that prepares Iowa youth for future employment.

This program will be administered by Greater Des Moines Partnership through a curriculum known as The Legacy Project: Career Ready Collective.

Birdies For Charity

Registered Birdies For Charity organizations benefit from funds raised through the Principal Charity Classic. Birdies For Charity provides Iowa non-profit organizations with youth focused programming – as well as K-12 schools – with a unique and risk-free opportunity to raise additional funds year-round.

Visit principalcharityclassic.com/charity-mission/ to learn more.

MANAGED BY

WAKONDA CLUB

Wakonda Club, founded in 1922, is a private, member-owned golf and country club located in the heart of Des Moines, Iowa. Wakonda is known as a welcoming and friendly club. Wakonda Club prides itself on its professional and courteous staff, beautiful William Langford and Theodore Moreau-designed golf course, clay tennis courts, pool oasis and clubhouse that serves as the base for active dining and social activities. The original membership of Wakonda Club included 350 resident members.

CLUB FEATURES

Breathtaking 360-degree views of our Langford & Moreau-designed, 18-hole golf course and scenic downtown skyline

Located just minutes from a vibrant Downtown and historic residential neighborhood

Clay court complex with dedicated patio & professional shop

Multi-pool aquatics area, complete with lap swim area, Tiki Bar & Snack Bar

Celebrated culinary team that focuses on locally sourced products, house-made desserts & pasta, and elevated experiences

Clubhouse features newly renovated event spaces with more than a dozen indoor private room combinations for members' professional and personal needs

WAKONDA CLUB GOLF COURSE RESTORATION

The 2023 restoration of Wakonda Club was led by Golf Course Architect, Tyler Rae and his Lead Design Associate, Jim Ryan, Jr. Wakonda's Grounds Superintendent, Dane Wilson and his staff tirelessly worked to coordinate contractors and ensure the project was on-time and on-budget. This restoration focused on addressing a combination of architecture and infrastructure.

TEE BOXES

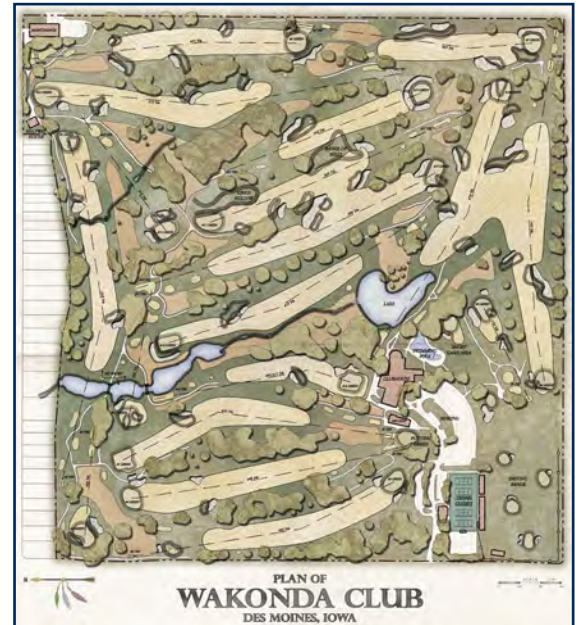

- Every tee box rebuilt with 6 tee placements per hole
- L&M Championship tees stretch to 7,160 yards while forward V tees play at 4,378 yards

FAIRWAYS

- Added 10 acres of fairways for a total of 34 fairway acres
- Joined the fairways on holes 8 & 10 and holes 11 & 15

GREENS

- Rebuilt five existing USGA greens to brand-new push-up construction greens using some of Langford & Moreau's best designs
 - Hole 2 – a redan style modeled after hole 2 at Culver Academies
 - Hole 5 – modeled after hole 6 at Lawsonia Links
 - Hole 9 – modeled after Wakonda's original 9th green
 - Hole 15 – modeled after hole 12 at Lawsonia Links
 - Hole 17 – modeled after hole 9 at West Bend C.C.
- Expanded the existing 13 push-up greens by more than 22,000 ft² bringing back lost green shapes and exciting new hole locations
- Added 2" slit subsurface drainage to all greens

BUNKERS

- Rebuilt every bunker to match Langford & Moreau's style of flat bottoms with steep grassed faces and Pro Angle Sand
- Increased from 38 bunkers at 70,000 ft² before the restoration to 54 bunkers at 160,000 ft² after the restoration
- Increased from 3 fairway bunkers to 31 fairway bunkers

TURFGRASS

- Planted Dominant X-Treme 7 bent grass on every tee and fairway
- This "Super-Bent" is more drought tolerant, disease resistant, fights against poa-annua invasion, has rapid divot recovery and requires less inputs
- Regrassed all green surrounds with average of 15,000 ft² bluegrass rough sod per green complex

IRRIGATION

- Installed triple-row Toro irrigation system with a brand-new pumphouse installed near the range
- Increased irrigation coverage across property while adding 30% more irrigation heads for a total of 1,272 heads

FESCUE / NATIVE GRASS

- Planted 6 acres of native fescue in out of play areas with another 16 acres planned in the near future

TREES

- Conducted full tree management plan under Certified Arborist
- Purposefully removed 190 trees with plans to replant 140 trees throughout 2024

POND WORK / DREDGING

- Moved the 18th tee complex to west side of pond for new angle to the tee shot, while improving the flow for both golf traffic and water in the ponds

SHORT GAME PRACTICE AREA

- Rebuilt the short game area to match the on-course bunker style and recreate on-course shots

HOW TO PLAY WAKONDA CLUB

FRONT 9

Hole #1, 438-yard PAR 4 **2023 Average: 4.130 Rank: 2**

The opening hole has always ranked among the most difficult on the course. Tee shots have 310 to the new fairway bunker. The approach is played uphill to an expanded green with new hole locations available. A new shared bunker with the fourth hole sits to the left of this green and a very steep dropoff penalizes shots missed to the right of the green. The green slopes from back left to front right and is very tricky to putt.

Hole #2, 165-yard PAR 3 **2023 Average: 3.117 Rank: 3**

Hole 2 features a brand new, redan-style green. The green was moved closer to the tees and lowered from the previous location, though still playing approximately seven yards uphill. Controlling the distance of the tee shot is vital to avoid the false front of the green and the deep bunker to the left of the green. This green will feature some spectacular hole locations and should provide a great viewing experience.

Hole #3, 387-yard PAR 4 **2023 Average: 3.961 Rank: 7**

The third is a dogleg left par 4 that requires you to hit the fairway to have a chance to hit your approach close. Two new greenside bunkers guard the green. The green has been expanded and is now one of the largest on the course. The false front will send shots rolling back down the fairway if you don't clear it on your approach and the green has subtle breaks making it difficult to read.

Hole #4, 420-yard PAR 4 **2023 Average: 4.065 Rank: 4**

The best line for the tee shot is up the left center. Most players will hit less than driver to stay short of the new right and left fairway bunkers, approximately 290 yards from the tee. Most drives will finish at the bottom of the hill, leaving a blind and uphill approach shot. The green expansion will offer new hole locations and while this very subtle green appears flat, players will notice more break than they will likely read into the putt.

Hole #5, 548-yard PAR 5 **2023 Average: 4.792 Rank: 13**

Wakonda's first par-5 has a new fairway bunker guarding the right side of the fairway's landing area. Any drives landing in that bunker will be an automatic layup to the bottom of the hill. There is a creek in the fairway 140 yards from the green. Two new fairway bunkers guard the layup past the creek and will force golfers to precisely place their second shot. A brand-new green awaits with some outstanding contours and shaping. This new green is bunkerless.

Hole #6, 423-yard PAR 4 **2023 Average: 3.883 Rank: 9**

Hole 6 will play very different than previous years with a wider, more leveled-off fairway. The tee shot requires strategy as the drives that end up closest to the left fairway bunker (without going in) are rewarded with the best view of the green and a more level lie. The green has a ridge bisecting the higher left side and the lower right side and the back left of the green has been recontoured to allow more hole locations. The front greenside bunker has been removed and the fringe on the left of the green now extends into the seventh tee box.

Hole #7, 367-yard PAR 4 **2023 Average: 3.740 Rank: 15**

The fairway has been expanded and the fairway bunkers have been redesigned. The best line off the tee is on the left side of the fairway to give a great angle into this green. A new grass mound guards the front right of this green and a deep greenside bunker guards the left side. This green has a lot of slope from back right to front left. Players can look for birdies on 7 with a well-judged approach that stays under the hole.

Hole #8, 549-yard PAR 5 **2023 Average: 4.584 Rank: 17**

The major change everyone will notice at the eighth hole is the massive, joined fairway with hole 10. While this will be one of the easier fairways to hit on the PGA Tour Champions schedule, the most strategic line up the left side of the fairway will be rewarded with a chance to reach the green in two shots. Two new fairway bunkers guard the top of the hill for a layup and the green has been expanded and rebunkered. This hole historically produces a lot of birdies and chances for eagles.

Hole #9, 154-yard PAR 3 **2023 Average: 2.948 Rank: 8**

Hole 9 has a brand-new green that has been moved 30 yards closer to the tee. The green was built to replicate the original 9th green, which now serves as Wakonda's practice green. The bunkers on this hole create difficulty, especially the hidden bunker behind the back-right of the green.

HOW TO PLAY WAKONDA

BACK 9

Hole #10, 432-yard PAR 4 2023 Average: 4.065 Rank: 4

What used to be the most difficult fairway to hit at Wakonda now has a massive, joined fairway with hole 8. Drives that take on the left fairway bunker are rewarded with a level lie and a great view of the green. Drives that bail to the right, the widest part of the fairway, will leave a hanging lie and a blind, uphill approach. The green has a back spine that makes putting on the back half of the green a challenge.

Hole #11, 440-yard PAR 4 2023 Average: 3.857 Rank: 10

This hole has new, deep fairway bunkers that will put a premium on driving accuracy. The green sits below a downslope/ridge and slopes from front left to back right. A ridge in the front third of the green has been expanded for new hole locations as well as an area in the back right of the green.

Hole #12, 362-yard PAR 4 2023 Average: 3.857 Rank: 10

Hole 12 has had the fairway widened and leveled off in the landing area. This short par 4 forces players to hit the fairway to leave an approach over the new horseshoe bunker surrounding 70% of the green. The front of the green has been expanded and perched up and the green tilts steeply from back to front.

Hole #13, 536-yard PAR 5 2023 Average: 4.338 Rank: 18

The 13th hole has historically played as the easiest hole at Wakonda. The restoration may change that as four new bunkers await. The drive must avoid the right fairway bunker and shots up the left of the fairway will be flatter and have a better line into the green. A new fairway bunker guards the layup approximately 90 yards short of the green. The large green has two tiers and has been expanded with some softer grading on the top tier. The right greenside bunkers have been replaced with fringe, allowing for more options around the green.

Hole #14, 192-yard PAR 3 2023 Average: 3.234 Rank: 1

Historically, one of the most difficult holes at Wakonda. A large ridge splits the top left of the green from the bottom right. The right side of the green was expanded and recontoured. A new bunker guards the front left of the green, a steep fairway on the front right of the green and there is a very deep bunker to the right of the green. Distance and accuracy are a must to play this hole well.

Hole #15, 506-yard PAR 5 2023 Average: 4.610 Rank: 16

This beautiful par 5 has a new shared fairway bunker with hole 11 that guards the left side of the landing area. Avoiding this will allow golfers to go for this green in two shots. Two very deep bunkers guard this brand-new green. A ridge in the back of the green creates two distinct levels and will provide great drama for back hole locations.

Hole #16, 423-yard PAR 4 2023 Average: 3.987 Rank: 6

The 16th is a gorgeous, downhill par 4 with a creek guarding the left side of the fairway. The closer a tee shot is to the creek, the flatter the lie and the better the angle into this green. Two new, massive fairway bunkers guard the right side of this fairway about 290 yards from the tee. The green has a new, deep bunker left and behind the green and expanded fringe to the right of the green. Putting is difficult as subtle breaks are hard to read.

Hole #17, 182-yard PAR 3 2023 Average: 2.818 Rank: 12

This downhill par 3 has a brand-new green that is smaller than in the past. A new bunker guards the front right and the fringe has extended short of the green toward the water and left of the green creating many chipping options for those missing the green. Some soft internal contours will make reading this green more difficult. The elevated tee shot is prone to wind exposure, making club selection difficult.

Hole #18, 311-yard PAR 4 2023 Average: 3.753 Rank: 14

Eighteen is a classic closing hole that plays much longer than its yardage on the scorecard. The hole is uphill and bends to the right with a very deep, new fairway bunker guarding the right side of the fairway. Drives will have to cover nearly 260 yards, uphill adjusted, to fly that bunker. An approach from the fairway leaves a solid birdie chance, but the green has a large knob in the middle, making putting tough. Many prior events have been decided on this green and the new design will ensure that continues.

Hole-by-hole provided by Wakonda Club.
