

PRINCIPAL CHARITY CLASSIC

ROUND 3 QUOTES

June 1, 2025

SØREN KJELDSEN (-17, lost 1st playoff hole)

Q. I know it wasn't the ending you wanted, but what a week it's been for you, these last two weeks on tour.

SØREN KJELDSEN: Yeah, absolutely. This is why I'm here, you know, being in contention on Sunday. I played great today, so no regrets. Miguel is a great champion. Yeah, it's been a wonderful week.

Q. Did you think coming into this day you would have any chance to be standing here in a playoff when you're -- I think you were what, behind by seven shots to begin the day?

SØREN KJELDSEN: Yeah, I was seven behind. No, I didn't really think that. I thought I felt I had a good round in me, I felt that I've been playing well all week. I think the first two days I could have scored better but then finally sort of happened today, I made the putts today. It was a great day.
