

ROUND 2 QUICK QUOTES
June 13, 2026

SCOTT HEND (-12)

Q. Scott, 5-under 67 today, you find yourself tied for the lead going into tomorrow. Just assess your round today.

SCOTT HEND: Yeah, it was a little bit -- I found it a bit hard to get a grasp of the speed of the greens after we had the rain delay. Took me a little while to sort of get back into how soft the greens had got and the slowness of them. Just took me a little while to get used to it again. Picked that up as we went into the back nine.

Q. Scott, what makes you such a good bunker player? I mean, bunker shot on 15 --

SCOTT HEND: Australian. Australian, South Africans, Australians, Spanish. We're pretty good out of the traps because just the golf courses we grow up on, it sort of lent itself to us being pretty good bunker players.

Q. Do you surprise yourself with how far that tee shot was on 18?

SCOTT HEND: I didn't think it was off the back. I thought I flew it onto where the pin was. It wasn't really the ideal leave because too much of a downhill chip. Yeah, I was surprised how far it actually went.

Q. You find yourself near the top again. What's it going to take tomorrow to keep this thing going?

SCOTT HEND: I have no idea. Just going to hit it, find it, get it in the hole. If that's good enough, it's good enough. If it isn't, it isn't. Not stressing over it. I love playing golf. If my score's good enough, then my score's good enough. That's the way it is.
