

ROUND 3 QUICK QUOTES
June 14, 2026

RETIEF GOOSEN (-13)

Q. Retief, final round 70, you finished at 13 under. Just your overall thoughts on the week?

RETIEF GOOSEN: Yeah, it's been a great week. Today was hard. The wind was howling out there and I wasn't hitting it well. I kept hitting in the rough and I had a few lies out there that was U.S. Open lies. Take a 9-iron out and just chop it back to the fairway.

You know, today that's about as good as I could have done. I didn't hit the ball good enough to play any better.

Q. The wind, kind of the effect it has, it really made it tough to score?

RETIEF GOOSEN: It was howling. It's sort of a crosswind so a lot of holes across. I was watching the forecast this morning, the guy said -- the local weather guy said it's going to calm down in the afternoon. I think it picked up.

Q. I believe this is your fourth top-10 in your last five starts. What's going well for you right now in your game?

RETIEF GOOSEN: Yeah, I think my putting is better. Today it let me down a little bit, but then again, I kept putting myself in difficult positions.

Great for Zach to win. It's great for the community.
